Scorepad Quick Guide (VJBL) - Scoretable

Buzzer

START – start the time   **STOP – stop the timer**
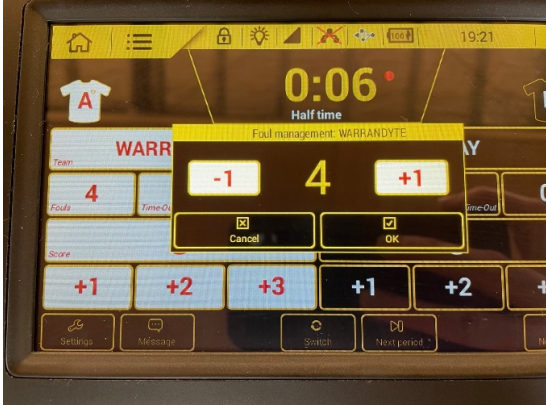

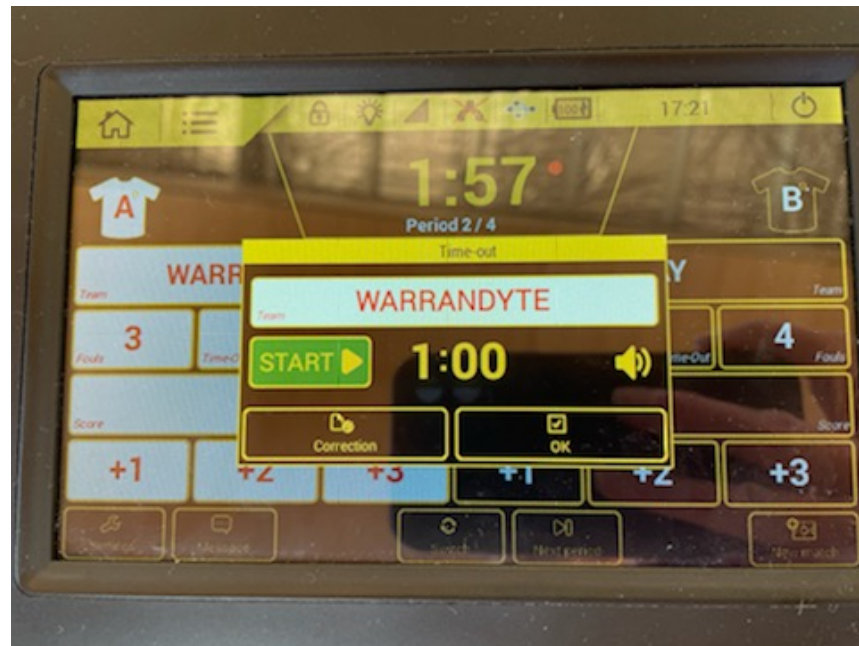

- Pre-game start clock: 5 minutes
- Preset: Game is set to four 10-minute quarters, with 2-minute half time and two 1-minute inter periods between the quarters.
- Each period (e.g. pre-game, periods 1/4, 2/4, half time and periods 3/4 and 4/4) must be manually activated using the 'START' (yellow button).
- Team fouls re-set automatically at the start of each quarter/period.

|
