## This week in Youth League 2 Women

Last round the Youth Women played another competitive game against the Western Port Steelers and down by a point going into the main break. Controlling the defensive rebounds let them down and they ending up giving away 13 second chance points to ultimately lose 62-50. Summer Davis led the way with 21pts in a game that nearly all players contributed.

This week they face the Blackburn Vikings (3W-1L) in what could be another tricky game. Sophie Ziebell and Jasmine Greenwood will be the players to watch but the Vikings have a team where every player contributes. Blackburn will be the favourites in this game but don't rule out the plucky Venom.

On the Sunday the Youth Women face the Bellarine Storm against whom they had a massive 52pt loss back in round 1. This will be a good gauge to see how far they have come. Lucy Howard for the Storm is having a huge season, averaging 28pts a game. She is ably supported by Karli Bruce (19.75ppg, 11.25reb).

## This week in Youth League 2 Men

Last week the Venom played another competitive game that once again got away from them. They were leading the Wallan Panthers going into the main break but a 19-30 third quarter let them down and they were never able to recover. Nathan Leeson (14pts) and Archer Davis (13pts) were their main scorers and scoring came freely for nearly every player but the inability to stop Wallan from scoring off the fast break hurt with them losing 72-81.

In round 5 they face the prospect of two home games. On the Saturday they face the 16<sup>th</sup> placed Surf Coast Chargers (1W-4L) who will also be looking for their second win of the season. Keep an eye out for the Van Der Klooster brothers and Declan Cole to lead the way for Surfcoast but controlling the boards will be key.

The Venom's second game is against the 17<sup>th</sup> placed Southern Peninsula Sharks (1W-4L) who will also be looking to get their season restarted by getting their second win. So another danger game for the Youth Men. Will Sinclair and Judd Moore are their leading scorers so bear watching and once again controlling the boards and minimising turnovers will be key.

## This week in Division 1/2 Women

Last round is where the Senior Venom Women cemented their place as a serious contender for the championship. First up they faced the Blackburn Vikings and put in a dominant game despite allowing the Vikings back into the game during the second and fourth quarters they ultimately set up the game in the first with a strong 12-30pts beating Blackburn . Emmie O’Nial walked away with a 37pt and 20reb game.

In their second game for the round they faced the strong starting Mildura (2W-0L) but the Venom’s ability to score freely through Emmie O’Nial (26pts, 11reb, 5ast, 3stl and 4blk) and Shannon Powell-Ross (27pts, 9reb, 7ast and 6stl).

After these two wins, the Venom shot to the top of the Division 1/2 Women’s Ladder with an impressive 155% for/against and conceding an average of 50pts per game.

Round 5 sees another bye for the women’s senior team.

## This week in Division 1 Men

Last week the Venom faced the Chelsea Gulls in another game that saw the Venom get off to a slow start that ultimately proved the difference. The Venom tried valiantly but were unable to quell the output from the Chelsea import, who was huge on the day. Aaron Forsyth battled hard with a strong 23pts and 10reb. He was assisted by Oscar Percy (15pts) and Mitch Evans (13pts) but in the end went down 74-85.

This week the Senior men have a bye.
